

Investing for Success

**Under this agreement for 2022
Julia Creek State School will receive**

\$22 004

This funding will be used to

Achieve the goals of:

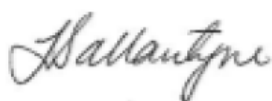

- 71% of students achieving A or B in English, Maths and Science

Our initiatives include

- Design and deliver the Australian Curriculum through quality teaching and learning practises based on evidence-based initiatives, including:
 - V8 Australian Curriculum
 - Literacy and Numeracy Continuum
 - P-12 CARF
 - Whole School Moderation processes
 - Coaching and Mentoring Framework
 - PBL framework
 - General capabilities; Social and Emotional
 - Critical and Creative Thinking
 - The Reading & Writing Centre
 - ATISL framework
 - Inclusive Education Policy
 - Lifting Outcomes for our top students Playbook

Our school will improve student outcomes by

Employ additional teacher/s to enable a classroom split for greater alignment with Small Schools Curriculum for more targeted differentiation of students & flexibility with staffing to provide Coaching / Mentoring & access to Professional Development.
